

Join Sustainable Long Island's

Preparing All Long Islanders for the Green Economy

Learn how the region can use the green economy to provide opportunity and access for all Long Islanders to create a healthier environment and a stable economy.

- Interactive Workshops by leaders in the green economy
- Networking Lunch - have a taste from Long Island's restaurants
- Hall of Sustainable Exhibitors
- Community Bus Tour of Wyandanch - space is limited!

Attend for the day or just for lunch.
